The following is a brief summary of the licensing process. For more detail, please read KRS Chapter 330. The requirements to attain a Kentucky Auctioneer license are: 1) at least 18 years old, 2) a high school diploma or an equivalent, 3) trustworthy, competent and of good repute, and 4) successful completion of the Auctioneer exam. The apprentice exam applicant must be associated with a Kentucky-licensed Principal Auctioneer whose office is within 50 miles of the applicant's address. The experience requirement for an apprentice to take the Principal Exam is two (2) years as an Apprentice, and participated as bid caller at 10 sales within the immediate 12 months before taking the Principal Auctioneer Exam. The application, exam fee and photo are submitted to the Board. The exam is administered four times a year. Upon notification of passing the exam, the initial license fee is remitted with the license application. All licenses expire on June 30th. Renewal forms are mailed in late May and must be returned and in the Board office on or before June 30. Principal auctioneers will report 6 hours and apprentices will report 3 hours. Renewals (due on or before June 30th) will be accepted only if continuing education (CE) has been earned between July 1st of the previous year and June 30th of a renewal year. The Kentucky Board of Auctioneers sponsors free seminars every spring. If the continuing education is not earned in the license year, the license is canceled; successful completion of the exam is required for licensure.
